EVELYN LESTER  
PRIMARY EXAMINER

***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 7-12-07 has been entered.

***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 7-12-07 was filed before the mailing date of this first office action. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the Examiner has considered the information disclosure statement.

***Terminal Disclaimer***

3. The terminal disclaimer filed on 5-16-07 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of U.S. Patent 6,999,225 has been reviewed and is accepted. The terminal disclaimer has been recorded.

## REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

The prior art does not show or fairly suggest the claimed invention of an optical interference display panel having the claimed structure and claimed limitations, wherein a rejection under 35 USC 102 or 103 would be improper. Please particularly note the combination of claimed elements and claimed limitations, including the Applicant's arguments explaining how the prior art does not now read on the amended claim 1 (note page 4 of the Applicant's remarks). Also in view of the approved terminal disclaimer, filed on 5-16-07.

Therefore, in light of the Applicants' arguments and/or amendments, the claimed invention is considered to be in condition for allowance as being novel and nonobvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Drawings*

5. The drawings were received on 3-24-04. These drawings are approved.

***Priority***

6. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.
